Ask yourself:

- What is my current business value?
- What is the value needed at time of sale?
- What are the shortfalls?
- How long will it take to bridge the gap?
- Can I afford to sell?

Busting the myths

Many business owners believe it will be easy to sell their business for the price they want. However, with many more businesses for sale and less buyers, smart businesses do not “wait and see” they take control of their own future!

Attend a **powerful 1 hour** information session to discover how to:

- Protect your business wealth through succession planning
- Motivate your staff to grow profits and value
- Take away the worry of selling by securing a future buyer

New Valuation Technology

Bstar has created amazing new valuation technology that identifies business value gap and determines the true value of a business.

The Business Value Gap Calculator determines the gap between what a business is worth today and what it needs to be at the time of sale.

The Business Capitalisation Rate Calculator determines the true value of a business.

Contact us for more information or if you would like to register for a session.
